Need some new product ideas and your regular supplier only had one new idea circa 1971? Bucky bites this banana. Your market fizzed out? Bucky’s got a FizzaFixer. Your Adverts got Adburps? Bucky’s got a AdAsister. Your market take a hosing? Bucky’s got a HoserWidget.

Think you have to shop the nearby hardware and cafe? Sure, Bob’s Hardware has wood and nails, but the wood is warped and the nails are pointless. Berth’s Dinerteria has cold coffee, burnt oatmeal, runny eggs and raw bacon. Now Bob’s got you over a barrel and Bertha’s got you over a commode.
